

**Lamentations 2** | Trent Thompson

---

1. What stood out to you from Lamentations 2 or the sermon?
2. Read Deuteronomy 28:15-68. What connection do you see between this passage and Lamentations 2?
3. Why are we prone to do things God has warned us will lead to death, destruction, and disillusionment in our lives? Can you think of an example in your own life?
4. How do we determine what responsibility we have for the sins of a group to which we belong (examples may be: family, church, nation)? How do we avoid understating or overstating that responsibility?
5. Read Lamentations 2:14. The voices we listen to play a part in whether we fall into sin or walk in righteousness. How do you determine whether the “prophets” in your life are trustworthy?
6. Read Lamentations 2:18-19. What do these verses teach us about how we come to the Lord in confession and repentance? Be as specific as possible.
