

Questions for Reflection/Discussion:

1. What did God teach you or remind you of through the testimonies this Sunday?
2. Hearing other's testimonies presents an opportunity to think about our own stories of God's work. If you were sharing what God has done in your life with a group of people and could only highlight two things, what would you talk about and why?
3. Read Colossians 2:12-15 together. What observations can we make about baptism from this passage?
4. What benefits come to our spiritual lives from being baptized?
5. Have you been baptized? If so, what was your experience of baptism and what brought you to the decision to be baptized? If not, what prevents you from being baptized?
6. Our next Baptism Service is in February. Who are you praying would come to faith in Christ between now and then and be baptized? Who are you praying would be baptized that already knows Christ? Take time to pray together as a group for these people.
