Questions for Discussion/Reflection:

1. What stood out to you from the sermon?
2. Where has God given you authority? How are you exercising it well?
How are you exercising it poorly?
3. How has God shown that He is uniquely concerned with the condition of your heart as you wield the authority He has given you? Christ has the power to change our hearts. What would be different about your use of authority if you didn't have Christ?
4. Have you ever sensed God's anointing on you? For what, and how did you sense it?
5. Christ is God's chosen one and He shares that chosen-ness with us. How does it influence our use of authority to know this?
6. God empowers us to use the authority He gives us. Have you experienced this? Where would you like to experience it more? Pray together as a group for this empowerment from the Spirit.
