3. The Solution\*

## DISCUSSION QUESTIONS

---

1. Read Acts 17:1-15. And then read 1 Thessalonians 2:14-3:5. What do you notice in these texts? Does anything stand out to you?
2. In what ways do you think you experience spiritual warfare? How have you (or how can you) discern if Satan is at work in these situations?
3. What are ways that we can live faithfully within our surrounding culture and within our church family?
4. Within your LifeGroup take a moment to share with each other one specific way that the others in your LifeGroup can strengthen or encourage you in your faith. What is it that speaks to you specifically?
5. What other scriptures can you share that speak to spiritual warfare or encouraging one another in faith?

Memory Verse: **1 Thessalonians 3:3**

*That no one be moved by these afflictions. For you yourselves know that we are destined for this.*
