## Questions for Discussion/Reflection

- How serious do you think we deal with and treat sin in our lives?
- How does sin impact our culture? Impact our church? Impact your family? Impact you?
- What is it that you desire most? Are there several things? How do these desires affect your actions toward or away from God?
- What are some truths about our relationship with God that we find in Scripture that deal with sin? How do these inform your relationship with Him?
- Would you say that your relationship with God is more about rules and expectations, or about trust, love, and grace?
- In your LifeGroup, consider inviting each other in to hold each other accountable to the sin in your lives, as well as growing in your authentic relationship with our Father.
