1. Read Colossians 1:1-8. In addition to faith and love, what do you see Paul giving thanks for in the Colossians?
2. Are you prone to express your thankfulness for other Christians? Why or why not?
3. In whom do you see the conviction of the truth and trust in God that makeup faith? How could you express your thanks for these things to this person this week?
4. In whom do you see love for all the saints? How could you express your thanks for this to this person this week?
5. Do you feel you most need to grow in conviction, trust, or love for all the saints? Why?
6. How can we better understand the hope laid up for us in heaven so that we grow in faith and love?
