DISCUSSION QUESTIONS

- What evidence have you seen in your life of late that Jesus has been shepherding you? Your spouse? Your family? Your friends?
- More specifically, are you able to thank and praise God as you have witnessed Him provide for very definite, real needs, whether small or great?
- Or “make” you or a friend “lie down” and rest because they really need it?
- Or lead someone through a difficult situation in which they chose to do the right thing, even if so hard to do?
- Or accompany someone during an extremely hard trial/season in life?
- Or just spill lavish blessing into someone’s life?
- Or rescue a straying friend?
